RNC RESEARCH SYMPOSIUM PROGRAMME

Day Two: Friday 30th June 2023

8:30 REGISTRATION OPENS
Mezzanine foyer

**9:00 DAY TWO WELCOME &
SCENE SETTING**
Lecture Theatre 1

9:15 FUTURE PATHWAYS
Lecture Theatre 1

Hear from a range of invited speakers discussing their perspectives and aspirations for the future of collaborative, transformational and innovative natural hazard resilience research for Aotearoa New Zealand.

10:15 MORNING TEA  
Mezzanine foyer

**10:45 FUTURE RESEARCH
PRIORITIES**
Lecture Theatre 1

Quickfire presentations from each programme looking to the future. What could the next step in your research programme look like? What opportunities would we pursue? How would your work contribute to enhanced resilience across Aotearoa?

12:30 LUNCH  
Mezzanine foyer

**1:30 WHAKAMAUA KIA
TINA - WORKSHOPS**

Ko te pae tawhiti whāia kia tata, ko te pae tata whakamaua kia tina. Seek to bring distant horizons closer; sustain and maintain those that have arrived.

Join one of our workshop sessions focused on building a vision for what a successful Te Tiriti-centred, disaster resilience National Research Priority could look like. How do we ensure continuity for the capability in multi-disciplinary science and mātauranga Māori built by RNC over the last ten years?

2:30 WORKSHOP SYNTHESIS
Lecture Theatre 1

2:45 TE PAE TAWHITI
Lecture Theatre 1

A "where to from here?" round up of the symposium

3:00 CLOSING
Lecture Theatre 1

This programme is subject to change.
